EMERGENCY BIOLOGICS SURVEY

FAX RESPONSE BY **NOVEMBER 20** TO: 206-418-5515

Please do not list any biologics you do not have on the premises. This is not a listing for things you can order. If you use up your supply of a biologic during the year and choose not to reorder, please give me a call so I may update my information. This survey is for **biologics available for sale to other facilities** and/or patients in need. If you have biologics that are strictly for use in your facility (such as for laboratory or health care personnel), **do not** include them in this survey.

SUBJECT: Emergency Biologics Annual Update

Enclosed is our yearly biologics survey. Your response to this survey is strictly voluntary, but your participation is essential to its completeness. If you choose to participate, please fax the enclosed form to me by November 22. If you do not respond by November 22, you will not be included in the 2005 Emergency Biologics Directory, which will be distributed in January.

If your pharmacy is open 24 hours, there is no need to list an individual's name and personal telephone number. You will be listed as "Pharmacy 24 hours" with the general pharmacy telephone number.
